VILLAGE CONSULTATION

AFFORDABLE HOUSING PROJECT

SATURDAY JULY 21st

12.00 NOON

COMMUNITY CENTRE

SMALL HALL

Important update on Marshfield CLT affordable homes site search

Posters will be appearing in the next few days inviting you to an open village meeting on the Marshfield CLT proposed site for developing a small number of affordable houses. As a reminder, these would be up to 18 houses with a mix of rental and shared ownership, to be allocated to people with a local connection to the village. The site will include a small number of market homes to help fund the project. All developed and controlled by Marshfield CLT.

We're still at an early stage in this project, but are excited to be able to share where we've got to in our thinking. Please come along to hear more and share your views.
