

Land adjacent to Garston Farm, Marshfield

Your views matter

Marshfield CLT, in partnership with United Communities, is planning to submit a planning application for 18 new homes on land adjacent to Garston Farm. The majority of the homes will be affordable housing including social rent and shared ownership and will be available for local people.

Your views are sought on the proposals which will help inform the development of a full planning application in December 2019. There will be a further opportunity following the submission of a planning application to provide comments formally to South Gloucestershire Council's Planning Department.

Please help us by sharing your thoughts on the plans.
