

Marshfield Community Energy Zoom meeting

As many of you will be aware, MCLT is exploring the feasibility of generating renewable energy for the village using solar and/or wind power.

Sustainable Marshfield organised an enjoyable and informative talk in February about community energy in Wedmore, Somerset. The MCLT Energy Group is following this with a zoom session on

Monday 29th March at 7.30pm

to give an opportunity for you to find out more about MCLT's project and ask questions.

Come and hear about:

- the results of the recent MCLT Energy survey
- the background to solar v wind
- securing government funding for a feasibility study.

There will be a 15 minute presentation then Q&A

PLEASE JOIN US - ALL WELCOME

7.30pm-8.30pm Monday 29th March 2021
