About Marshfield CLT

- MCLT is a Community Benefit Society.
- Its overall aim is to develop community assets and promote activities which are of benefit to the local community.
- MCLT is a democratic organisation controlled by its members.
- MCLT can hold community assets in perpetuity.

Our Current Objectives

- to complete the affordable housing scheme currently underway
- to encourage local people in housing need to apply for a home
- to carry out a housing need survey for a second housing project
- to support initiatives to reduce local energy use and costs
- to develop a local project to generate renewable electricity.

Our Values

We believe in:

- Fairness, honesty and inclusiveness
- Local democracy and accountability
- Sustainable community-led growth that reflects local needs
- Conserving the environment and working towards net zero
- Partnership working with other agencies

Membership of MCLT is open to residents of Marshfield and others wishing to support the community. Members must be over 18 year of age. Membership shares cost £1 each.
